

For your task this week I would like you to reflect on this last year at St. Mary's.

You might reflect on the following:

- What you have learned throughout the year. It could be fractions, how to say hello in French, who Samuel Pepys was or what type of stone was used to make tools in the Stone Age.
- Any achievements you have accomplished this year. You might have been voted to be a member of the school council, Eco Club or even be the most improved at TT Rockstars. This can be anything you feel proud of.
- Choose something you have really enjoyed about school this year. It could be a school trip, a certain lesson/topic or even taking part in the Christmas Liturgy/Nativity.
- After you have thought of some things you have achieved or enjoyed, you will then need to think of some words which can describe how you have felt at different points of the year. You may have felt happy, excited or maybe even sad sometimes.

When you have come up with all of your fantastic ideas you will then need to create a piece of graffiti art similar to the example below. Using lots of different doodle techniques, pictures and words to really help bring your piece of work to life.

To discover some great ideas of how you can fill in the gaps follow the link below. 😊
